Spectera Lab Routing & Edging

Orders using in-network lab services must be routed through Spectera Vision Lab Network (SVLN) or contracted wholesale lab partners. Verify portal eligibility to prevent non-formulary denials.

Non-Formulary Products

Lenses or treatments not listed in Tier I–V or AR Tier I–IV are billed at 80% of U&C with the non-formulary modifier (e.g., P5 for non-formulary AR, R7 for non-formulary progressive).
