VSP Signature Plan®

SIGNATURE NETWORK

Dispensary Reference & Lens Enhancement Copay Schedule (2026 Reference)

Provider Dispensing Rule: Charge patient the listed copay or 80% of your Usual & Customary (U&C) retail fee, whichever is lower. Covered services indicate $0 patient copay when standard base lenses are covered under the member's authorization.

VSP Product Index Alignment

Specific brand categories (e.g., Unity, Varilux, Shamir, Crizal, TechShield) follow the published VSP Product Matrix. Refer to the Eyefinity portal product tool for real-time tier assignments.

Coordination of Benefits & Riders

Commercial plan riders (such as employer-paid adult polycarbonate or flat-rate premium progressives) take precedence over standard copays shown. Verify authorization details.
